

ELATED OVER GLORIOUS VICTORY OF ALLIES

MANY EXPRESSIONS GIVEN BY LEADING MEN.

Some Just Overjoyed They They Could Do No More Than Yell.

Expressions from leading citizens of the great and glorious victory won by the allies were heard on every corner Monday following the news that the armistice had been signed. There were many and various opinions as to what should be done with the Kaiser and the former German monarch, from expressions, would not fare well at his hands of young Americans. Senator James B. Frazier stated, when asked for his opinion, that there was but little to say except that a grand victory had been won and the world made safe for democracy. C. W. Lusk said: "The great shadow has passed away and there are more happy people today than at any time in the history of the world. The last of the autocrats has lost his power and it only remains for an outraged world to inflict punishment commensurate, if possible, with the crimes he and his cohorts have committed. A new era opens with this day and it is the fervent hope of every patriot that government by and for the people shall be established for all time over Yarnell stated that democracy had won a splendid victory and all the honor belongs to the young men who have made the sacrifices on the field of honor. Tom Selman remarked that it was the happiest day in the history of the world. T. Pope Shepherd stated that the women have done more towards winning this war than the men and it is today that they celebrate the great victory they have won. Senator W. H. Cummings returned last night from Washington and said he brought the most glorious news the world ever received, with him. He said the capital city was wild with joy and excitement. Judge Joe W. Williams said: "It is too grand for expression by words. Thousands of homes and mothers, wives and sweethearts are today spending the happiest day of their lives." Dr. Y. L. Abernathy stated that it was indeed a grand and glorious victory for the boys over there and those who had done their part here. Many other leading citizens expressed their opinions but said they were too overjoyed to have much to say except just to yell. This morning the courthouse was closed and the offices of nearly every member of the bar had a sign out "closed on account of the end of the world's great war."

GREENLEAF BAND

Concert at Pilgrim Church Sunday Well Attended.
Camp Greenleaf band gave a concert Sunday afternoon at the Pilgrim Congregational church, marking the second of a series of concerts to be given this season under the auspices of the Chattanooga Music club. A large audience of equal numbers

Emulates the Silk Hat.

(By Betty Brown.)
Here is something reminiscent of the black silk opera hat of the man of fashion—in the days before flu and war made opera taboo. This turban has no brim at all, but makes up for the lack by a great opulence of velvet crown on which is embroidered a brilliant checker board of gold-colored chenille. Metallic velvets are used for the new waistcoats and wraps and the fur coats lean toward bolero effects.

of civilians and khaki-clad men were present.
A feature of the program was the mass singing led by O. W. Stapleton, Y. M. C. A. song leader.
Samuel Bosworth Smith made a short but interesting talk on the united war work drive, which will open in the city Thursday.
Among the numbers rendered by the band were:
March, "Colonel Blenheim"—Milton Ager.
Overture, "Morning, Noon and Night"—F. Suppe.
Cornet duet (Loosey)—Corps. Collins and Wartman.
Overture, "Stradella"—Flatow.
"Pep," "Characteristic"—A. Anderson.
Selection, "Djer Kise"—Milton Ager.
March, "Date City"—Weldon.
The singing of "Vesti la Giubba" (Pagliacci), "Leoncavallo" and "La Donna E Mobile" (Rigoletto) by Angelo Cardini received much applause. Ralph Borrelli was piano accompanist.

NO DEMONSTRATION

President of the Women's Service League Out of the City.
The Women's Patriotic Service League made no special demonstration today in celebration of the signing of the armistice with Germany, the president, Mrs. D. P. Montague, being out of the city, and Mrs. P. A. Brawner, chairman of the demonstration committee, having recently recovered from the influenza, is not equal to conducting a celebration, but it goes without saying that every member is exulting in the spirit whether at home or away.

CONFEDERATE MEMORIAL

Services Held at First Presbyterian—N. B. Forrest Camp Attends in Uniform.
Impressive memorial services were held at the First Presbyterian church Sunday afternoon for the deceased members of the N. B. Forrest camp Confederate veterans. Those who have answered final roll call this year are: J. W. Butler, Charles Divine, S. M. Ellis, Christopher C. McMur-ray, A. W. Palmer, J. William Webster, W. W. Harkins, J. M. Toler,

W. H. Zorn, Silas Weatherford and Dr. E. H. Brumby.
This service is observed annually and is held in the auditorium of the First Presbyterian church, of which Dr. J. W. Bachman, the camp's chaplain, is pastor.
At 3:45 o'clock the small body of surviving veterans of the local chapter gathered at the corner of Georgia and McCallie avenues, and marched to the church in their gray uniforms, which somewhat resembles that worn by the French today. It was an imposing sight yet pathetic to see these men of valor and of broken ranks going to die in honor to their departed comrades. Prof. Roy Lamont Smith rendered the organ prelude, and Dr. T. S. McCallie opened the service with an invocation. Miss Eloise Bayler and Miss Margaret Shaliday sang "Whispering Hope." After a Scripture reading by Rev. Charles R. Hyde, the congregation sang "America."
The roll was called by L. T. Dickinson, adjutant of the camp, which was answered by those present. H. A. Chambers, historian, answered for the names of those "who had been relieved from active duty with this camp by death," giving the date of their death, after which the members answered in concert: "He has crossed over the river and rests under the shade of the trees." Capt. Chambers then gave the military records and tributes to the departed.
Dr. T. S. McCallie, the speaker for the occasion, was introduced in a few appropriate words by Dr. J. W. Bachman. The speaker's address touched on the past, present and future "when peace with openness, justice, right and freedom shall prevail in every land." High tribute was paid to the veterans of the sixties also to the soldiers of today in Dr. McCallie's forceful manner. His address was followed by the singing of the hymn, "In the Sweet Bye and Bye," and the services closed with a short benediction by Dr. J. W. Bachman.

Greatly Benefited by Chamberlain's Tablets.

"I am thankful for the good I have received by using Chamberlain's Tablets. About two years ago when I began taking them I was suffering a great deal from distress after eating, and from headache and a tired, languid feeling due to indigestion and a torpid liver. Chamberlain's tablets corrected these disorders a short time, and since taking two bottles of them my health has been good," writes Mrs. M. P. Harwood, Auburn, N. Y. (Adv.)

HOUR OF SIGNING

First Word From Europe Comes in Announcement by Lloyd George.
London, Nov. 11—(10:20 a.m.)—Premier Lloyd George announced that the armistice between Germany and the allies was signed at 5 o'clock this morning, Paris time (11 o'clock Washington time). Hostilities ceased at 11 o'clock (French time).
The foregoing cablegram to the International News Service is the first word out of Europe about the signing of the armistice, previous information having come out of Washington.
Following is the text of the premier's announcement:
"The armistice was signed at 5 o'clock this morning. Hostilities ceased on all fronts at 11 o'clock this morning."

London Goes Wild.
London, Nov. 11—(10:42 a.m.)—All London went wild today over the end of the war.
Crowds surged through the streets celebrating the good news.
The whole city was draped with flags and joy salutes were fired from cannon.

LONG LINE OF FIGHTERS
St. Louis, Mo., Oct. 2—(I. N. S.)—If Chas. F. Bastin, of Carbondale, Ill., who recently joined the marines, doesn't make a fighter of the first degree it won't be because his ancestors failed to set him an example. Bastin is forty-two years of age, and every generation of his family, from the time of the great Napoleon down, has been a warrior. More than one of Bastin's ancestors fought in the grand army of France—there was a great-great grandfather in the Revolutionary war, a grandfather in the Civil war, and his own father was a lieutenant in the Spanish-American war. But the record was slushed when Bastin's son, Creston, twenty-one, beat his father to the marine corps training camp by eight weeks, after undergoing several operations in order that he might be accepted.

PEACE TRAGEDY

Henry Circe Killed While Celebrating by Falling From Cannon.
North Adams, Mass., Nov. 11—Henry Circe, 21, of North Adams, was killed this morning while participating in the peace celebration. He fell from a cannon on which he was riding.
The wheels passed over his head, crushing his skull.

As Spanish influenza is an exaggerated form of Grip, LAXATIVE BROMO QUININE Tablets should be taken in larger doses than are prescribed for ordinary Grip. A good plan is not to wait until you are sick, but to take LAXATIVE BROMO QUININE Tablets in time.—(Adv.)

PICK UP SOLDIERS.

Capt. Henry S. Cole, chief of the provost guards, received orders Monday morning from the commanding officer at Camp Forrest instructing him to order all soldiers, including officers, in town without a pass to report back to camp at once. The orders were issued when Capt. Cole stated to his commanding officer that there was a great deal of excitement and celebrating in the city and that through some accident some one might get hurt. During the morning several accidents were reported but none of them serious. However, to prevent anything serious the order was issued to Capt. Cole and he has instructed his men to solicit all soldiers without passes to report back to camp.

Presque Isle, Me.—(I. N. S.)—Somebody has stolen Herbert Blaisdell's ten hives of bees. Aroostook county sheriffs are hunting for the man. Mr. Blaisdell says he would like to see what the thief looked like when he got away with the bees.

WEAK, RUN-DOWN WOMEN

This Letter Will Show You How Other Women Keep Up Strength.
Cleveland, Ohio—"I keep house for my husband and myself and get into a weak rundown condition, no strength, languid and no ambition. After doctoring for a while and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system." Mrs. Wm. D. Dawson.
The reason we guarantee Vinol is because it is a constitutional remedy containing beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the most successful tonics known.

DRUGGISTS STILL ASKED TO CONSERVE STOCKS OF VAPORUB NEEDED IN "FLU" DISTRICTS

Influenza Epidemic is Decreasing in Most Sections and the Demand is Slackening, But We Are Still 18,000 Gross Behind On Orders and it Will Take Some Time to Catch Up.

THREE MILLION JARS SHIPPED DURING OCTOBER.

On Monday, October 21, we addressed an advertisement to the wholesale and retail drug trade advising that we were badly oversold, due to the influenza epidemic, stating that all deals and quantity shipments were postponed, and requesting that VapoRub be purchased in small lots only. This condition still prevails.
At this writing we have back orders for eighteen thousand (18,000) gross and our orders each day are double our daily output. The epidemic, however, is decreasing in most sections, the demand is slackening and we are working night and day to catch up. In the meantime, we ask the trade to be patient with us.

ENORMOUS SHIPMENTS HAVE WIPE OUT EXCESS STOCKS.

On October 1st we had on hand at the factory and in twenty warehouses over the country a tremendous stock of VapoRub, accumulated during the summer months. This is now gone—we actually shipped during the month of October over three million jars of VapoRub. We are speeding up our factory as much as possible and the problem now is to distribute the factory's output as quickly as possible. We have, therefore, for the time being, abandoned freight shipments and are shipping either by parcel post or express—trying to give each jobber at least a little stock.

IMMEDIATE SHIPMENTS TO DRUGGISTS IN INFLUENZA DISTRICTS.

Preference is being given to those sections stricken by influenza. In order to reach these sections as quickly as can be, we are, during this emergency, making shipments by parcel post, direct, to the retail trade, of not more than three (3) dozen 30c size in any one shipment. We prefer that the jobbers order these shipments for their trade, but to save time, we will, if the need is urgent, ship direct on receipt of check or money order. Naturally, no new accounts can be opened during this rush.

We have prepared a little folder giving all the information available so far on Spanish influenza—its origin—the symptoms and the treatment, and these will be forwarded to druggists

on request. We will also be glad to mail to any individual one of these booklets, together with a quarter-ounce sample, free.

HOW TO USE VAPORUB IN TREATING SPANISH INFLUENZA.

In every case call a physician—VapoRub should be used only in connection with the physician's internal treatment.
Apply hot, wet clothes over the throat, chest and back between the shoulder blades to open the pores. Dry lightly and rub VapoRub well in until the skin is red—spread on thickly and cover with hot flannel cloths. Leave the bed-covering loose around the neck, as the body heat releases the ingredients in the form of vapors. These vapors, inhaled with each breath, stimulate the lining of the air passages to throw off the influenza germs. In case of head or chest cold, which often accompanies influenza, the vapors tend to keep the air passages open, loosen the phlegm and make the breathing easier. In addition, VapoRub is absorbed through and stimulates the skin, attracting the blood to the surface, and thus aids in relieving the congestion within.

HOW TO USE VICK'S VAPORUB AS A PREVENTIVE.

It is questionable if there is anything which will prevent Spanish influenza, except avoiding those persons who are spreading the disease by coughing, sneezing and spitting, and by keeping up the bodily resistance by plenty of good food and exercise in the open air. The Public Health Service recommends that the nasal passages be coated with a weak solution of Menthol in liquid petroleum as a protective. For this purpose VapoRub is excellent. Just put a small portion up each nostril from time to time during the day and snuff well back into the head.

KEEP FREE FROM COLDS BY INHALING VAPORUB.

Colds irritate the lining of the air passages and thus render them a much better breeding place for the germs. At the first signs of a cold use VapoRub at once. Melt a little in a spoon and inhale the vapors arising, or VapoRub can be used in a regular benzoin steam kettle, such as most druggists carry in stock. If this is not available, a very good substitute to use is an ordinary tea-kettle. Fill half-full of boiling water—put in half a teaspoon of VapoRub from time to time—keep the kettle just slowly boiling and inhale the steam arising.
